Convectors & Fan Coils

Ceiling casing front cover for iVector S2

UK - Myson

- Seamless integration
- Optimal ventilation
- Compatible with iVector S2
- Easy installation
- Durable construction

Description

Ceiling front cover with air intake grille, suitable for iVector S2 when recessed in ceiling. For use with standard metal casing, supplied separately.

Area of Application

The Ceiling Casing Front Cover For iVector S2 is ideal for recessed installations in ceilings where the unit is concealed. It ensures optimal air intake and proper ventilation, suitable for false ceiling applications, ventilation concealment, indoors, specialized HVAC installations, and commercial spaces.

Selection Criteria

Use our design service or refer to our brochure for quick selection.

Basic User Instructions

Ensure the iVector S2 unit is securely mounted within the ceiling recess. The ceiling casing front cover should be aligned properly with the unit's mounting bracket. Fix the front cover using the provided screws, ensuring the air intake grille is unobstructed. Regular maintenance is required to clean the grille and ensure efficient airflow. Refer to the installation manual for detailed guidance.

Prescription text specifiers

The Ceiling Casing Front Cover for iVector S2 is a critical accessory for ceiling-recessed installations, featuring an air intake grille for optimal ventilation. Used with standard metal casing (supplied separately), this cover ensures an aesthetically pleasing and functional finish. Ideal for commercial spaces, false ceiling applications, and specialized HVAC installations. Ensure the iVector S2 is securely mounted and the front cover is properly aligned and fixed. Regular maintenance is required to keep the grille clean for efficient performance. Refer to the installation manual for comprehensive guidelines. Available in multiple sizes for different iVector S2 models.

Warranty

For your additional peace of mind, Purmo Group gives the following Warranty against manufacturing defect. Your statutory rights are not affected by this Warranty.

Subject as provided below, Purmo Group warrants to the original purchaser at the original installation site that its products will be free from defects in materials and workmanship for the following periods:

- Hydronic Radiators: 10 years from date of purchase.*
- Fan Assisted Radiators (ULOW-E2): 2 years from date of purchase.*
- Fan Convectors: 2 years from date of purchase.
- Hydronic Underfloor Heating: 10 years for the pipe from date of purchase.
- Hydronic Underfloor Heating: 2 years on accessories, actuators, ball valves, controls, expansion vessels, fittings, low loss headers, manifolds, mixer control groups & tooling from date of purchase.
- Hydronic Underfloor Heating: 12 months on all pumps from date of purchase.
- Electric Underfloor Heating: 10 years from date of purchase (except programmer & sensor).
- Electric Radiators and Towel Warmers: 2 years from date of purchase.*
- Hydronic Towel Warmers: 5 to 10 years from date of purchase depending on product type.*
- Myson Radiator Valves and Controls: 2 to 5 years from date of purchase, depending on range.

*Products which are exposed to prolonged extreme conditions, such as high humidity or severe cold/condensation, may be subject to deterioration. This is not a result of any manufacturing defect. Products installed in these circumstances will be subject to a warranty period of twelve months only.

The original purchaser's remedy for breach of this Warranty is expressly limited to repair or replacement of any part or parts found to be defective under conditions of normal service and use

during the above Warranty period and does not extend to Purmo Group being liable for any incidental, special or consequential damages or losses whatsoever, such as loss of use of the product, inconvenience or lost profits.

This Warranty does not cover any defect, damage or malfunction in the product which is due to: failure to comply in any respect with Purmo Group's installation, maintenance or operating instructions; faulty storage,

handling, installation or repair; mis-use; neglect; accident; abuse; or general wear and tear.

Before this warranty can be activated, the original purchaser will be required to prove, with supporting documentation, the date and place of purchase, as Purmo Group may need to conduct its investigation into

the alleged defect. This should be within 28 days of the date when the defect was discovered or ought to have reasonably discovered the defect.

Purmo Group reserves the right to make a reasonable charge for inspecting and testing any product which is subject to a Warranty claim and the rights conferred by the Warranty are conditional upon the payment of such charge. The charge may be made, at Purmo Group's discretion, either before or after the inspection and testing of the product. In the event that it is established to Purmo Group's reasonable satisfaction that a valid Warranty claim has been made in respect of the product, then any inspection charge which has been paid will be refunded in full by Purmo Group.

Specification
