Denmark - Purmo

- Holdbar Beskyttelse
- Nem installation
- Forbedret sikkerhed
- Lav vedligeholdelse
- Alsidig anvendelse

Job beskrivelse

Aquilo Top Cover er designet til at give omfattende beskyttelse til gulvkonvektorer, der bruges i bolig- og kommercielle varme- og kølesystemer. Fremstillet af materialer af høj kvalitet sikrer det holdbarhed og fremragende ydeevne over tid. Installationen er ligetil og kræver minimal vedligeholdelse for at holde det i top stand. Dette produkt er essentielt for at beskytte interne komponenter og forbedre systemets samlede sikkerhed.

Anvendelsesscenarier

Aquilo Top Cover er ideel til installation i boliger, erhvervslokaler, kontorer og sundhedsfaciliteter. Den kan bruges i miljøer, der kræver gulvkonvektorer til varme- og kølesystemer. Designet til robusthed og langvarig ydeevne

Dimensionering

For at vælge det rette Aquilo Top Cover, brug vores designservice. For hurtig udvælgelse, brug vores brochure

Sådan bruger du den

Sørg for, at gulvoverfladen er flad og fri for forhindringer før installation. Placer Aquilo Top Cover over konvektoren og fastgør den sikkert. Rengør regelmæssigt coveret for at opretholde optimal ydeevne og udseende. Kontakt en professionel for reparationer i tilfælde af skade
