Product Data Sheet

Finesse

UK - Myson

- Precise temperature control

- Instant heat

- Frost protection

- Sleek, modern control panel

- Environmental Friendly

Description

The Myson Finesse electric radiator offers all the perks of a central heating system without the need for plumbing. Designed for areas lacking central heating infrastructure, it comes with a sleek control panel and precise electronic thermostat, featuring frost protection to manage energy consumption effectively. Made in the UK, Finesse holds a class 1 electrical protection rating, ensuring safety and reliability.

Area of Application

Finesse is a sealed electric radiator, perfect for installation as a standalone unit in extensions or outbuildings. It is factory-fitted with a top grill and side panels. Made from cold-rolled steel, it integrates an analogue thermostatic control and Power box.

Selection Criteria

Use a heat loss calculator to determine which Finesse Radiator gives you the optimal indoor climate comfort.

Basic User Instructions

Finesse radiators are supplied with wall brackets for easy installation. Ensure the unit is securely mounted and connected to a suitable power supply. Follow all safety guidelines for operation, including not covering the radiator to prevent overheating. Regularly check the thermostat settings to maintain desired temperature levels. For optimal performance, utilize the TOUCH4 programmer for 4-zone control if a more sophisticated setup is desired.

Prescription text specifiers

The Finesse electric radiator brings the advantages of a central heating system without needing to be plumbed in. Ideal for properties without gas or existing central heating infrastructure, the Finesse is factory-fitted with a top grill and side panels, an analogue thermostatic control, and a Power box. It's manufactured from cold-rolled steel and filled with environmentally-friendly vegetable oil. It integrates a precision electronic thermostat with frost protection, providing maximum control with minimal energy consumption. The unit is finished in white (RAL 9016) and conforms to the Eco Design Directive standards (EU) 2015/1188 .

Warranty

For your additional peace of mind, Purmo Group gives the following Warranty against manufacturing defect. Your statutory rights are not affected by this Warranty.

Subject as provided below, Purmo Group warrants to the original purchaser at the original installation site that its products will be free from defects in materials and workmanship for the following periods:

• Hydronic Radiators: 10 years from date of purchase.*

• Fan Assisted Radiators (ULOW-E2): 2 years from date of purchase.*

• Fan Convectors: 2 years from date of purchase.

• Hydronic Underfloor Heating: 10 years for the pipe from date of purchase.

• Hydronic Underfloor Heating: 2 years on accessories, actuators, ball valves, controls, expansion vessels, fittings, low loss headers, manifolds, mixer control groups & toolingfrom date of purchase.

• Hydronic Underfloor Heating: 12 months on all pumps from date of purchase.

• Electric Underfloor Heating: 10 years from date of purchase (except programmer & sensor).

• Electric Radiators and Towel Warmers: 2 years from date of purchase.*

• Hydronic Towel Warmers: 5 to 10 years from date of purchase depending on product type.*

• Myson Radiator Valves and Controls: 2 to 5 years from date of purchase, depending on range.

*Products which are exposed to prolonged extreme conditions, such as high humidity or severe cold/condensation, may be subject to deterioration. This is not a result of any manufacturing defect. Products installed in these circumstances will be subject to a warranty period of twelve months only.

The original purchaser's remedy for breach of this Warranty is expressly limited to repair or replacement of any part or parts found to be defective under conditions of normal service and use during the above Warranty period and does not extend to Purmo Group being liable for any incidental, special or consequential damages or losses whatsoever, such as loss of use of the product, inconvenience or lost profits.

This Warranty does not cover any defect, damage or malfunction in the product which is due to: failure to comply in any respect with Purmo Group's installation, maintenance or operating instructions; faulty storage,

handling, installation or repair; mis-use; neglect; accident; abuse; or general wear and tear.

Before this warranty can be activated, the original purchaser will be required to prove, with supporting documentation, the date and place of purchase, as Purmo Group may need to conduct its investigation into

the alleged defect. This should be within 28 days of the date when the defect was discovered or ought to have reasonably discovered the defect.

Purmo Group reserves the right to make a reasonable charge for inspecting and testing any product which is subject to a Warranty claim and the rights conferred by the Warranty are conditional upon the payment of such charge. The charge may be made, at Purmo Group's discretion, either before or after the inspection and testing of the product. In the event that it is established to Purmo Group's reasonable satisfaction that a valid Warranty claim has been made in respect of the product, then any inspection charge which has been paid will be refunded in full by Purmo Group.

Specification

Feature	Unit	Value
Etim Class		EC000593 - Radiator (electric), EC011309 - Room clock thermostat
Colour		White
Width	Millimetre (mm)	1000, 1250, 1300, 1600, 2000, 400, 500, 650, 800, 950
Height	Millimetre (mm)	300, 500
Depth	Millimetre (mm)	81
RAL-number		9016
Degree of protection (IP)		IP44
IFTTT support available		No
Compatible with Apple HomeKit		No
Compatible with Google Assistant		No
Compatible with Amazon Alexa		No
Mounting method		Wall model
Protection class		I
Model		Low (30-50 cm)
Weight	Kilogram (kg)	11, 14, 16.5, 17, 20.5, 21.5, 25.5, 29.7, 31.5, 38.5, 39.1
With time switch clock		Yes
Heating capacity	Watt (W)	1000, 1250, 1500, 2000, 500, 750
With remote control		No
With overheating protection		Yes
Frost protection circuit		Yes
Power control		Mechanical
Programmable		Yes
Digital indication		No
Material heating element		Steel
With presence indicator		No
Connection cable length	Metre (m)	1.25
Electrical connection		Terminals
Mounting direction		Horizontal
Supply voltage	Volt (V)	230
Frequency supply voltage	Hertz (Hz)	50
Length connection cord	Metre (m)	1.25
Adaptive (self-learning)		No
With decorative finish		Yes
Position control panel		Side
Operation by app		No

Feature	Unit	Value
Oil-/fluid-filled		Yes
Consumption indication		No
Open window detection		No
Material front		Steel
Suitable for wireless remote control		No
Air exhaust		Other
