Electric Radiators

Electric Décor Vertical

UK - Myson

- Stylish contemporary design
- Space saving
- Modern electronic thermostat
- Horizontal model available
- Hydronic option

Description

Myson Electric Décor Vertical is a real space saver and offers a stylish, contemporary alternative to a traditional radiator. An electric version of our popular hydronic model, the distinctive flat tube design enhances the look of any room and is ideal where wall space is limited. It is suitable for a wide range of uses, both domestic and commercial. It is also perfect for projects that are off-gas or have no central heating pipes installed. A horizontal model is also available.

Area of Application

The Electric Décor Vertical is ideal for both domestic and commercial use. It shines in projects without gas or central heating, and is perfect for spaces where wall area is limited. It's suitable for areas requiring stylish, contemporary heating solutions.

Selection Criteria

For selecting or calculating the thermal heat power output, please use our design service. For quick selection, use our brochure.

Basic User Instructions

Ensure the Electric Décor Vertical is securely mounted using the provided brackets, screws, and dowels. This radiator should be connected to an appropriate power source. Utilize the modern electronic thermostat for optimal control, and consider the optional hard-wired, 4 zone touch screen programmer for additional functionality. Regularly check and maintain the radiator to ensure continuous and efficient operation.

Prescription text specifiers

Myson Electric Décor Vertical is a designer radiator with a stylish, contemporary design. This electric radiator is made from quality steel and features a vertical flat tube structure. It is perfect for domestic and commercial applications, especially in projects without gas or central heating. The unit includes a wireless electronic thermostat for precise temperature control. For extended functionality, an optional hard-wired, 4 zone touch screen programmer is available. This radiator is suitable for any space requiring a compact and efficient heating solution.

Warranty

For your additional peace of mind, Purmo Group gives the following Warranty against manufacturing defect. Your statutory rights are not affected by this Warranty.

Subject as provided below, Purmo Group warrants to the original purchaser at the original installation site that its products will be free from defects in materials and workmanship for the following periods:

- Hydronic Radiators: 10 years from date of purchase.*
- Fan Assisted Radiators (ULOW-E2): 2 years from date of purchase.*
- Fan Convectors: 2 years from date of purchase.
- Hydronic Underfloor Heating: 10 years for the pipe from date of purchase.
- Hydronic Underfloor Heating: 2 years on accessories, actuators, ball valves, controls, expansion vessels, fittings, low loss headers, manifolds, mixer control groups & tooling from date of purchase.
- Hydronic Underfloor Heating: 12 months on all pumps from date of purchase.
- Electric Underfloor Heating: 10 years from date of purchase (except programmer & sensor).
- Electric Radiators: 10 years from date of purchase on radiator unit*, electric controls & electronic components; 2 years from date of purchase.*
- Electric Towel Warmers: 2 years from date of purchase.*
- Hydronic Towel Warmers: 5 to 10 years from date of purchase depending on product type.*
- Myson Radiator Valves and Controls: 2 to 5 years from date of purchase, depending on range.

*Products which are exposed to prolonged extreme conditions, such as high humidity or severe cold/condensation, may be subject to deterioration. This is not a result of any manufacturing defect. Products installed in these circumstances will be subject to a warranty period of twelve months

only.

The original purchaser's remedy for breach of this Warranty is expressly limited to repair or replacement of any part or parts found to be defective under conditions of normal service and use during the above Warranty period and does not extend to Purmo Group being liable for any incidental, special or consequential damages or losses whatsoever, such as loss of use of the product, inconvenience or lost profits.

This Warranty does not cover any defect, damage or malfunction in the product which is due to: failure to comply in any respect with Purmo Group's installation, maintenance or operating instructions; faulty storage,

handling, installation or repair; mis-use; neglect; accident; abuse; or general wear and tear.

Before this warranty can be activated, the original purchaser will be required to prove, with supporting documentation, the date and place of purchase, as Purmo Group may need to conduct its investigation into

the alleged defect. This should be within 28 days of the date when the defect was discovered or ought to have reasonably discovered the defect.

Purmo Group reserves the right to make a reasonable charge for inspecting and testing any product which is subject to a Warranty claim and the rights conferred by the Warranty are conditional upon the payment of such charge. The charge may be made, at Purmo Group's discretion, either before or after the inspection and testing of the product. In the event that it is established to Purmo Group's reasonable satisfaction that a valid Warranty claim has been made in respect of the product, then any inspection charge which has been paid will be refunded in full by Purmo Group.

Specification

Feature	Unit	Value
Etim Class		EC000593 - Radiator (electric)
Model		Standard
Mounting method		Wall model
Mounting direction		Vertical
Material front		Steel
Material heating element		Steel
Oil-/fluid-filled		Yes
With decorative finish		Yes
Heating capacity	Watt (W)	1000, 1500
Supply voltage min	Volt (V)	230 - 240
Frequency supply voltage min	Hertz (Hz)	50, 50 - 50
Electrical connection		Connection cable with plug
Connection cable length	Metre (m)	1.3
Length connection cord	Metre (m)	1.3
Position control panel		None
Suitable for wireless remote control		Yes
With remote control		Yes
Power control		Electronic
Air exhaust		Other
Colour		White
RAL-number		9016
Width	Millimetre (mm)	450, 680
Height	Millimetre (mm)	1835
Depth	Millimetre (mm)	117
Weight	Kilogram (kg)	28.842, 39.767
Degree of protection (IP)		IP44
Protection class		II
With overheating protection		Yes
Frost protection circuit		Yes
Digital indication		Yes
With presence indicator		Yes
With time switch clock		Yes
Programmable		Yes
Adaptive (self-learning)		Yes
Consumption indication		Yes
Open window detection		Yes
Compatible with Apple HomeKit		No

Feature	Unit	Value
Compatible with Google Assistant		No
Operation by app		No
Compatible with Amazon Alexa		No
IFTTT support available		No
