## Tamar E080

UK - Myson

- Attractive serpentine design
- Compact design
- Easy to install
- Virtually maintenance-free
- Energy-efficient dry element

## Description

Myson Tamar electric towel warmers offer innovative and practical designs that bring all the benefits of electrical heating into your bathroom. These towel warmers are easy to install, virtually maintenance-free, and do not require any plumbing. The Tamar EO80 model boasts a modern and attractive curved design.

## Area of Application

The Tamar EO80 is perfect for modern bathrooms, providing a stylish solution for warming towels. With its serpentine design and compact size (644mm height, 483mm length), it features a dry element and a steel body, ensuring durability and energy efficiency.

## Selection Criteria

Available in Chrome only.

## Basic User Instructions

Tamar towel rails come with brackets already attached to the product. A bag of screws is supplied. The switched fused spur must be located outside the bathroom in accordance with BS 7671.

## Prescription text specifiers

The Tamar EO80 electric towel warmer features a serpentine design that is both modern and functional. With dimensions of 644mm height and 483mm length, it is manufactured from steel and includes a dry element for efficient energy use. Finished in chrome, this towel rail is virtually maintenance-free and does not require any plumbing for installation. Suitable for use in bathrooms, it comes equipped with brackets and a bag of screws. Installation should follow BS 7671 standards, with the switched fused spur located outside the bathroom. IP44 rated, it ensures safe operation in wet areas. Ideal for smaller spaces, the Tamar EO80 adds a touch of elegance while keeping your towels warm and ready for use.

## Warranty

For your additional peace of mind, Purmo Group gives the following Warranty against manufacturing defect. Your statutory rights are not affected by this Warranty.

Subject as provided below, Purmo Group warrants to the original purchaser at the original installation site that its products will be free from defects in materials and workmanship for the following periods:

- Hydronic Radiators: 10 years from date of purchase.\*
- Fan Assisted Radiators (ULOW-E2): 2 years from date of purchase.\*
- Fan Convectors: 2 years from date of purchase.
- Hydronic Underfloor Heating: 10 years for the pipe from date of purchase.
- Hydronic Underfloor Heating: 2 years on accessories, actuators, ball valves, controls, expansion vessels, fittings, low loss headers, manifolds, mixer control groups & tooling from date of purchase.
- Hydronic Underfloor Heating: 12 months on all pumps from date of purchase.
- Electric Underfloor Heating: 10 years from date of purchase (except programmer & sensor).
- Electric Radiators: 10 years from date of purchase on radiator unit\*, electric controls & electronic components; 2 years from date of purchase.\*
- Electric Towel Warmers: 2 years from date of purchase.\*
- Hydronic Towel Warmers: 5 to 10 years from date of purchase depending on product type.\*
- Myson Radiator Valves and Controls: 2 to 5 years from date of purchase, depending on range.

\*Products which are exposed to prolonged extreme conditions, such as high humidity or severe cold/condensation, may be subject to deterioration. This is not a result of any manufacturing defect. Products installed in these circumstances will be subject to a warranty period of twelve months only.

The original purchaser's remedy for breach of this Warranty is expressly limited to repair or

replacement of any part or parts found to be defective under conditions of normal service and use during the above Warranty period and does not extend to Purmo Group being liable for any incidental, special or consequential damages or losses whatsoever, such as loss of use of the product, inconvenience or lost profits.

This Warranty does not cover any defect, damage or malfunction in the product which is due to: failure to comply in any respect with Purmo Group's installation, maintenance or operating instructions; faulty storage,

handling, installation or repair; mis-use; neglect; accident; abuse; or general wear and tear.

Before this warranty can be activated, the original purchaser will be required to prove, with supporting documentation, the date and place of purchase, as Purmo Group may need to conduct its investigation into

the alleged defect. This should be within 28 days of the date when the defect was discovered or ought to have reasonably discovered the defect.

Purmo Group reserves the right to make a reasonable charge for inspecting and testing any product which is subject to a Warranty claim and the rights conferred by the Warranty are conditional upon the payment of such charge. The charge may be made, at Purmo Group's discretion, either before or after the inspection and testing of the product. In the event that it is established to Purmo Group's reasonable satisfaction that a valid Warranty claim has been made in respect of the product, then any inspection charge which has been paid will be refunded in full by Purmo Group.

# Specification

Feature	Unit	Value
Etim Class		EC003624 - Towel drying radiator (electric)
Weight	Kilogram (kg)	2.9355
Protection class		II
Colour		Chrome
Width	Millimetre (mm)	145
Height	Millimetre (mm)	644
Depth	Millimetre (mm)	105
With time switch clock		No
Swivelling		Yes
With remote control		No
Power control		Other
Programmable		No
Suitable for bus connection		No
Number of tubes		4
Digital indication		No
Material		Steel
With fan		No
Type of collector		Other
Connection cable length	Metre (m)	0.165
Electrical connection		Other
Supply voltage	Volt (V)	220, 240
Adaptive (self-learning)		No
Degree of protection (IP)		IP44
With mounting material		Yes
Max. input power heating	Watt (W)	55
Position control panel		Side
Operation by app		No
Consumption indication		No
Suitable for wireless remote control		No
Shape of radiation tube		Round
Radiator design		Straight
With console		No
