Floortec Tools

UK - Myson

- Installation tools
- Suitable for Floortec underfloor heating
- Makes installation even easier
- Wide range of options
- Professional reliability

Description

A range of tools available to assist in the installation of Myson Floortec underfloor heating, eg. nail gun, tackertool, cutters, blades, pipe decoiler, etc.

Area of Application

Floortec Tools are suitable for the installation of Myson Floortec underfloor heating systems. These tools are optimal for various underfloor heating pipe installation methods, including solid, suspended, floating, and retrofit floors. Key tools include nail guns, tackertool, cutters, blades, and pipe decoilers for efficient setup .

Selection Criteria

For selecting the product or calculating the system, please use our technical documents, product manuals, design service, or contact us via e-mail or phone .

Basic User Instructions

When using Floortec Tools, ensure you follow the manufacturer's guidelines for each specific tool, such as the nail gun, tackertool, and pipe decoiler. Proper usage ensures optimal installation of the underfloor heating system. Regularly check and maintain the tools to avoid disruptions during installation .

Prescription text specifiers

Floortec Tools by Myson provide a comprehensive suite of installation equipment for underfloor heating systems. Designed for versatility across various floor types—whether solid, suspended, floating, or retrofit—these tools include nail guns, tackertools, cutters, blades, and pipe decoilers. Each tool ensures precision and efficiency, making the installation process swift and reliable. Ideal for professional use, they support the seamless integration of Myson Floortec heating systems, sustaining the high-performance standards Myson is known for. Use technical documents, product manuals, or contact Myson's design service for tailored system selection advice .

Warranty

For your additional peace of mind, Purmo Group gives the following Warranty against manufacturing defect. Your statutory rights are not affected by this Warranty.

Subject as provided below, Purmo Group warrants to the original purchaser at the original installation site that its products will be free from defects in materials and workmanship for the following periods:

- Hydronic Radiators: 10 years from date of purchase.*
- Fan Assisted Radiators (ULOW-E2): 2 years from date of purchase.*
- Fan Convectors: 2 years from date of purchase.
- Hydronic Underfloor Heating: 10 years for the pipe from date of purchase.
- Hydronic Underfloor Heating: 2 years on accessories, actuators, ball valves, controls, expansion vessels, fittings, low loss headers, manifolds, mixer control groups & tooling from date of purchase.
- Hydronic Underfloor Heating: 12 months on all pumps from date of purchase.
- Electric Underfloor Heating: 10 years from date of purchase (except programmer & sensor).
- Electric Radiators and Towel Warmers: 2 years from date of purchase.*
- Hydronic Towel Warmers: 5 to 10 years from date of purchase depending on product type.*
- Myson Radiator Valves and Controls: 2 to 5 years from date of purchase, depending on range.

*Products which are exposed to prolonged extreme conditions, such as high humidity or severe cold/condensation, may be subject to deterioration. This is not a result of any manufacturing defect. Products installed in these circumstances will be subject to a warranty period of twelve months only.

The original purchaser's remedy for breach of this Warranty is expressly limited to repair or replacement of any part or parts found to be defective under conditions of normal service and use

during the above Warranty period and does not extend to Purmo Group being liable for any incidental, special or consequential damages or losses whatsoever, such as loss of use of the product, inconvenience or lost profits.

This Warranty does not cover any defect, damage or malfunction in the product which is due to: failure to comply in any respect with Purmo Group's installation, maintenance or operating instructions; faulty storage,

handling, installation or repair; mis-use; neglect; accident; abuse; or general wear and tear.

Before this warranty can be activated, the original purchaser will be required to prove, with supporting documentation, the date and place of purchase, as Purmo Group may need to conduct its investigation into

the alleged defect. This should be within 28 days of the date when the defect was discovered or ought to have reasonably discovered the defect.

Purmo Group reserves the right to make a reasonable charge for inspecting and testing any product which is subject to a Warranty claim and the rights conferred by the Warranty are conditional upon the payment of such charge. The charge may be made, at Purmo Group's discretion, either before or after the inspection and testing of the product. In the event that it is established to Purmo Group's reasonable satisfaction that a valid Warranty claim has been made in respect of the product, then any inspection charge which has been paid will be refunded in full by Purmo Group.
