Towel Warmers

Ladder Rail Towel Ring

UK - Myson

- Versatile
- Chrome or white finish
- Durable
- Easy installation
- Great compatibility

Description

This is the perfect towel ring for towel radiators with flat or round tubes. The towel ring is available in white and chrome. Suitable for a wide range of Myson towel radiators: Ferlo, Angara, Lindi, and Avonmore.

Area of Application

Ideal for use in bathrooms with Myson towel radiators, including Ferlo, Angara, Lindi, and Avonmore. Suitable for both flat and round tube radiators. Available in white and chrome finishes for style versatility.

Selection Criteria

Select based on the type of towel radiator (flat or round tubes) and preferred finish (white or chrome).

Basic User Instructions

The Ladder Rail Towel Ring is easy to install and is compatible with Myson towel radiators, including Ferlo, Angara, Lindi, and Avonmore models. Simply attach the ring to the existing radiator tubes as per the instruction manual. Ensure the ring is securely fixed to hold the weight of towels without slipping.

Prescription text specifiers

The Ladder Rail Towel Ring is an essential accessory for towel radiators with flat or round tubes, available in white or chrome. Suitable for Myson models like Ferlo, Angara, Lindi, and Avonmore, it is both versatile and durable, ensuring secure towel holding. The high-quality construction guarantees longevity, while easy installation makes it a user-friendly product. Ideal for enhancing the functionality and aesthetic of your bathroom radiator setup, providing ample space for towel drying and storage.

Warranty

For your additional peace of mind, Purmo Group gives the following Warranty against manufacturing defect. Your statutory rights are not affected by this Warranty.

Subject as provided below, Purmo Group warrants to the original purchaser at the original installation site that its products will be free from defects in materials and workmanship for the following periods:

- Hydronic Radiators: 10 years from date of purchase.*
- Fan Assisted Radiators (ULOW-E2): 2 years from date of purchase.*
- Fan Convectors: 2 years from date of purchase.
- Hydronic Underfloor Heating: 10 years for the pipe from date of purchase.
- Hydronic Underfloor Heating: 2 years on accessories, actuators, ball valves, controls, expansion vessels, fittings, low loss headers, manifolds, mixer control groups & tooling from date of purchase.
- Hydronic Underfloor Heating: 12 months on all pumps from date of purchase.
- Electric Underfloor Heating: 10 years from date of purchase (except programmer & sensor).
- Electric Radiators: 10 years from date of purchase on radiator unit*, electric controls & electronic components; 2 years from date of purchase.*
- Electric Towel Warmers: 2 years from date of purchase.*
- Hydronic Towel Warmers: 5 to 10 years from date of purchase depending on product type.*
- Myson Radiator Valves and Controls: 2 to 5 years from date of purchase, depending on range.

*Products which are exposed to prolonged extreme conditions, such as high humidity or severe cold/condensation, may be subject to deterioration. This is not a result of any manufacturing defect. Products installed in these circumstances will be subject to a warranty period of twelve months only.

The original purchaser's remedy for breach of this Warranty is expressly limited to repair or replacement of any part or parts found to be defective under conditions of normal service and use during the above Warranty period and does not extend to Purmo Group being liable for any

incidental, special or consequential damages or losses whatsoever, such as loss of use of the product, inconvenience or lost profits.

This Warranty does not cover any defect, damage or malfunction in the product which is due to: failure to comply in any respect with Purmo Group's installation, maintenance or operating instructions; faulty storage,

handling, installation or repair; mis-use; neglect; accident; abuse; or general wear and tear.

Before this warranty can be activated, the original purchaser will be required to prove, with supporting documentation, the date and place of purchase, as Purmo Group may need to conduct its investigation into

the alleged defect. This should be within 28 days of the date when the defect was discovered or ought to have reasonably discovered the defect.

Purmo Group reserves the right to make a reasonable charge for inspecting and testing any product which is subject to a Warranty claim and the rights conferred by the Warranty are conditional upon the payment of such charge. The charge may be made, at Purmo Group's discretion, either before or after the inspection and testing of the product. In the event that it is established to Purmo Group's reasonable satisfaction that a valid Warranty claim has been made in respect of the product, then any inspection charge which has been paid will be refunded in full by Purmo Group.
