Flexible pipe cover

UK - Myson

- Easy installation
- Enhanced protection
- Optimized insulation
- Compatible with Myson Floortec
- Durable design

Description

Flexible pipe cover, 400mm length. Suitable for Myson Floortec underfloor heating

Area of Application

The Flexible Pipe Cover is ideal for use with Myson Floortec underfloor heating systems. It is designed to fit seamlessly into various configurations, providing insulation and protection to pipes in floor heating setups. This cover is suitable for residential, commercial, and industrial buildings, ensuring enhanced durability and efficient heat distribution.

Selection Criteria

For selecting the Flexible Pipe Cover, please refer to our design service. For quick selection, use our brochure.

Basic User Instructions

The Flexible Pipe Cover should be installed by placing it over the underfloor heating pipes. Ensure proper alignment to achieve maximum insulation and protection. Regular checks are advised to maintain optimal performance. The covers are designed to be used in conjunction with Myson Floortec systems, offering a secure fit and reliable thermal insulation.

Prescription text specifiers

The Flexible Pipe Cover, 400mm in length, is an essential component for protecting underfloor heating pipes, ensuring they remain secure and insulated. Compatible with Myson Floortec underfloor heating systems, this cover offers easy installation and robust durability, enhancing the efficiency and reliability of thermal systems. It boosts insulation and safeguards pipes, making it ideal for various building applications, including residential, commercial, and industrial settings. Ensure alignment during installation for maximum effectiveness.

Warranty

For your additional peace of mind, Purmo Group gives the following Warranty against manufacturing defect. Your statutory rights are not affected by this Warranty.

Subject as provided below, Purmo Group warrants to the original purchaser at the original installation site that its products will be free from defects in materials and workmanship for the following periods:

- Hydronic Radiators: 10 years from date of purchase.*
- Fan Assisted Radiators (ULOW-E2): 2 years from date of purchase.*
- Fan Convectors: 2 years from date of purchase.
- Hydronic Underfloor Heating: 10 years for the pipe from date of purchase.
- Hydronic Underfloor Heating: 2 years on accessories, actuators, ball valves, controls, expansion vessels, fittings, low loss headers, manifolds, mixer control groups & tooling from date of purchase.
- Hydronic Underfloor Heating: 12 months on all pumps from date of purchase.
- Electric Underfloor Heating: 10 years from date of purchase (except programmer & sensor).
- Electric Radiators: 10 years from date of purchase on radiator unit*, electric controls & electronic components; 2 years from date of purchase.*
- Electric Towel Warmers: 2 years from date of purchase.*
- Hydronic Towel Warmers: 5 to 10 years from date of purchase depending on product type.*
- Myson Radiator Valves and Controls: 2 to 5 years from date of purchase, depending on range.

*Products which are exposed to prolonged extreme conditions, such as high humidity or severe cold/condensation, may be subject to deterioration. This is not a result of any manufacturing defect. Products installed in these circumstances will be subject to a warranty period of twelve months only.

The original purchaser's remedy for breach of this Warranty is expressly limited to repair or replacement of any part or parts found to be defective under conditions of normal service and use during the above Warranty period and does not extend to Purmo Group being liable for any

incidental, special or consequential damages or losses whatsoever, such as loss of use of the product, inconvenience or lost profits.

This Warranty does not cover any defect, damage or malfunction in the product which is due to: failure to comply in any respect with Purmo Group's installation, maintenance or operating instructions; faulty storage,

handling, installation or repair; mis-use; neglect; accident; abuse; or general wear and tear.

Before this warranty can be activated, the original purchaser will be required to prove, with supporting documentation, the date and place of purchase, as Purmo Group may need to conduct its investigation into

the alleged defect. This should be within 28 days of the date when the defect was discovered or ought to have reasonably discovered the defect.

Purmo Group reserves the right to make a reasonable charge for inspecting and testing any product which is subject to a Warranty claim and the rights conferred by the Warranty are conditional upon the payment of such charge. The charge may be made, at Purmo Group's discretion, either before or after the inspection and testing of the product. In the event that it is established to Purmo Group's reasonable satisfaction that a valid Warranty claim has been made in respect of the product, then any inspection charge which has been paid will be refunded in full by Purmo Group.
