Decorative Radiators

Floor Bracket SK

UK - Myson

- Versatile mounting solution
- Easy installation
- Finished in white
- Anti-vibration
- Secure and stable

Description

Complete system for free-standing radiators from 2-4 columns up to 1000mm height. Includes base-plate for finished or unfinished floors, upright and bottom supports with security fixing and anti-vibration inserts. Only available in white (RAL 9016).

Area of Application

Suitable for mounting 2-4 column radiators up to 1000mm high. Ideal for both finished and unfinished floors. Incorporates a 3mm thick base-plate, upright support, adjustable bottom support, security fixing, and anti-vibration inserts.

Selection Criteria

Please contact Customer Services for the correct number of brackets required per radiator.

Basic User Instructions

Ensure the base plate is securely fixed to the floor. Attach the upright support firmly. Adjust the bottom support to fit the radiator size, using the anti-vibration insert to reduce noise. Check all security fixings are tight for stability. Only in white (RAL 9016).

Prescription text specifiers

With this floor bracket, you can mount 2-4 column radiators securely to the floor. The system includes a 3mm thick base-plate for either finished or unfinished floors, upright support, adjustable bottom support, security fixing, anti-vibration insert, and white plastic end stop. Ideal for radiators up to 1000mm high, finished in white (RAL 9016). Contact Customer Services to determine the correct number of brackets required per radiator.

Warranty

For your additional peace of mind, Purmo Group gives the following Warranty against manufacturing defect. Your statutory rights are not affected by this Warranty.

Subject as provided below, Purmo Group warrants to the original purchaser at the original installation site that its products will be free from defects in materials and workmanship for the following periods:

- Hydronic Radiators: 10 years from date of purchase.*
- Fan Assisted Radiators (ULOW-E2): 2 years from date of purchase.*
- Fan Convectors: 2 years from date of purchase.
- Hydronic Underfloor Heating: 10 years for the pipe from date of purchase.
- Hydronic Underfloor Heating: 2 years on accessories, actuators, ball valves, controls, expansion vessels, fittings, low loss headers, manifolds, mixer control groups & tooling from date of purchase.
- Hydronic Underfloor Heating: 12 months on all pumps from date of purchase.
- Electric Underfloor Heating: 10 years from date of purchase (except programmer & sensor).
- Electric Radiators: 10 years from date of purchase on radiator unit*, electric controls & electronic components; 2 years from date of purchase.*
- Electric Towel Warmers: 2 years from date of purchase.*
- Hydronic Towel Warmers: 5 to 10 years from date of purchase depending on product type.*
- Myson Radiator Valves and Controls: 2 to 5 years from date of purchase, depending on range.

*Products which are exposed to prolonged extreme conditions, such as high humidity or severe cold/condensation, may be subject to deterioration. This is not a result of any manufacturing defect. Products installed in these circumstances will be subject to a warranty period of twelve months only.

The original purchaser's remedy for breach of this Warranty is expressly limited to repair or replacement of any part or parts found to be defective under conditions of normal service and use during the above Warranty period and does not extend to Purmo Group being liable for any

incidental, special or consequential damages or losses whatsoever, such as loss of use of the product, inconvenience or lost profits.

This Warranty does not cover any defect, damage or malfunction in the product which is due to: failure to comply in any respect with Purmo Group's installation, maintenance or operating instructions; faulty storage,

handling, installation or repair; mis-use; neglect; accident; abuse; or general wear and tear.

Before this warranty can be activated, the original purchaser will be required to prove, with supporting documentation, the date and place of purchase, as Purmo Group may need to conduct its investigation into

the alleged defect. This should be within 28 days of the date when the defect was discovered or ought to have reasonably discovered the defect.

Purmo Group reserves the right to make a reasonable charge for inspecting and testing any product which is subject to a Warranty claim and the rights conferred by the Warranty are conditional upon the payment of such charge. The charge may be made, at Purmo Group's discretion, either before or after the inspection and testing of the product. In the event that it is established to Purmo Group's reasonable satisfaction that a valid Warranty claim has been made in respect of the product, then any inspection charge which has been paid will be refunded in full by Purmo Group.
